

Cookie Policy

Please read the following carefully to understand how ATGMED uses Cookies when visitor visit our website (“Site”). By clicking accept, visitors agree to this Cookie Policy. This Cookie Policy may change from time to time and visitor’s continued use of the Site is deemed to be acceptance of such changes. Please check this Cookie Policy periodically for updates.

I. What does Cookies mean?

Cookies, pixel tags and similar technologies are files consisting of tiny amounts of information that are stored by visitor’s browser on any Internet-enabled device – such as visitor’s laptop, smart phone, or tablet – when visitor visit a website. Most of the web portals consisting of elements from multiple web domains so when visitor visits ATGMED Site, visitor’s browser can receive Cookies from several sources.

Afterwards, Cookies are delivered back to the originating webpage on each subsequent visit, or to another webpage that recognises that cookie. Cookies do lots of different and useful tasks, such as remembering visitor’s actions and preferences (such as login, language, font size and etc.).

The data processed by cookies are for the purposes mentioned in order to safeguard our legitimate interests as well as third parties pursuant to Art. 6 para. 1 sentence 1 lit. f DSGVO required.

Most browsers accept cookies automatically. However, you can configure your browser so that no cookies are stored on your computer or a note always appears before a new cookie is created. However, disabling cookies completely may mean that you cannot use all features of our website.

AGAT GmbH uses Cookies to ensure visitors to our Sites have the best possible experience.

II. How our visitor may control or inactivate the Cookies

How to carry out the Cookies:

Visitor can delete or block the Cookies, but if visitor does this, visitor may have to manually adjust some preferences every time visitor visits the Sites and some features of the Sites may not work as intended. For example, visitor may not be able to visit certain areas of the Sites or visitor may not receive personalized information when visitor visits our Sites.

A. Control using visitor’s browser settings

Most internet browsers are initially set up to automatically accept Cookies. If visitor does not want our website to store Cookies on visitor computer or device, visitor can change or adjust visitor’s browser or device settings to block Cookies or to alert visitor when Cookies are being sent to visitor’s device.

If visitor uses different devices to view and access our Sites (e.g. visitor's computer, smartphone, tablet, etc.) visitor will need to ensure that each browser on each device is adjusted to suit visitor's Cookie preferences.

The procedures for changing visitor's settings and Cookies differ from browser to browser. If necessary, use the help function on visitor's browser or click on one of the links below to go directly to the user manual for visitor's browser.

More info. To find out more about Cookies, including how to see what Cookies have been set and how to manage and delete them, visit www.aboutcookies.org or www.allaboutcookies.org.

B. Alternative Tools for Exercising Choice

We, or other parties we do business with, may place or recognize unique Cookies or other technologies placed on visitor's browser when visitor visit our Sites to collect information about visitor's use of the website and visitor's other online activities over time and across different websites and apps, and may use that information to serve interest-based advertisements to visitor as visitor browse the Internet.

To learn more about visitor's choices for receiving interest-based advertising or to opt-out, please review the information below:

- **DAA:** To opt-out of such collection and use for interest-based advertising by the Digital Advertising Alliance (DAA) participating companies, please visit: [DAA's website](#).
- **EDAA:** To opt-out from the use of information about visitor's online activities for interest-based advertising by European Interactive Digital Advertising Alliance (EDAA) member companies, please visit: [EDAA's website](#).
- **NAI:** To opt-out from the use of information about visitor's online activities for interest-based advertising by Network Advertising Initiative (NAI) member companies, please visit: [NAI's website](#).

III. Cookie Types AGAT GmbH prefers to use

We use different types of Cookies. Some Cookies described below might be stored in visitor's browser.

Cookie descriptions

Strictly Necessary Cookies are necessary for the operation of our Sites. These Cookies are essential in helping visitor to move around our Sites and use the features, such as accessing secure areas of the Sites.

For example, we may use Strictly Necessary Cookies to:

- Identify visitor as being logged into the sites
- Provide access to protected areas of sites

Many of the Cookies placed through our Sites are **session Cookies**, while others are **persistent Cookies**, and some are “**first-party**” Cookies, while others are “**third-party**” Cookies.

- **First-party Cookies** are those set by a site that is being visited by the user at the time.
- **Session Cookies** are Cookies that allow website operators to link the actions of a user during a browser session. A browser session starts when a user opens the browser window and finishes when they close the browser window. Session Cookies are created temporarily. Once visitor closes the browser, all session Cookies are deleted.
